COMPANY OVERVIEW

RFS Enterprise Services, LLC is a California small business that supplies commercial products and coordinates commercial services for federal and state government buyers. We source the specified brand-name or "or equal" item, address every salient characteristic, and coordinate delivery directly to the installation, with one accountable point of contact from quote through delivery.

CORE COMPETENCIES

- **Tools & hardware:** hand/power tools, kits, fasteners
- **Safety equipment & PPE:** eye, hand, head, hearing, respiratory
- **Lumber & building materials**
- **Brand-name & "or equal" sourcing** with documented equivalency
- **Food service & catering** subcontract coordination
- **Industrial & MRO supplies** for facilities, shops, and plants
- **Uniforms & apparel**, including high-visibility wear
- **Equipment:** heaters, forklifts and material handling, industrial and anti-fatigue mats
- **Drop-ship logistics** to military installations and agency sites
- **EHS & safety consulting:** PPE selection, hazard assessment input, safety program and training support

DIFFERENTIATORS

- **Safety-first, compliance-minded leadership:** led by an Environment, Health & Safety (EHS) manager with experience in manufacturing and food processing.
- **Solicitation-exact quotes:** CLIN-by-CLIN pricing with part numbers, FOB terms, and delivery dates.
- **Owner-managed:** the principal personally handles every requirement, for fast and direct communication.
- **Broad, flexible sourcing** across manufacturers and distributors, with delivery coordinated to your site.

PAST PERFORMANCE

Available upon request.
